In Room Eleven. . .

Be straight with me.  
Who is the singer you guys decided on ???

Well... um, well, I ...

92.40 BBC plays it!! It's a big thing here !!!!

## The banker for "ROOM 11" calls

Rob !! I got it !

It just came now !

What is your **SWIFT BANK NUMBER** again??

Oh, I'll give that to you, Ricardo. But, it would be better if I give you my **BENEFACITOR'S** swift bank number. They're in New York. You can save me a step and some time, amigo. It's their money. Send it to them.

We work hard for "ROOM 11"
